INSTRUCTIONS

Chain a multiple of 16 stitches + 9 or, if working directly onto a piece, work over sufficient stitches so edge lies flat and rnd 1 comes out with correct number of repeats.

Rnd 1: Ch 1, (counts as first sc). *Sk 3 chs, 11 trs in next, sk 3 chs, (sc in next, ch 9, sk 7 chs, sc in next)*; repeat from * to * around, ending with sl st in first ch. At corner, replace (to) with sc in corner ch, ch 11, sc in corner ch again.

Rnd 2: Sl st to 6th tr, ch 1 (counts as first sc). {Sc in 6th tr of fan, ch 2, *over ch-7 [(tr3tog, ch 2) 4 times, tr3tog]*, ch 2}; repeat from { to } around ending with ch 2, sl st in first ch of rnd. At corner, replace * to * with over ch-9 [(tr3tog, ch 2) 6 times, tr3tog].

Rnd 3: Sl st into top of tr3tog, ch 2 (counts as first dc). [* (Dc3tog in tr3tog, sk ch-2, ch 4) 4 times, dc3tog in tr3tog*, sk ch-2, ch 2, sc in sc, sk ch-2, ch 2)]; repeat from [to] around, ending with sl st in top of first dc3tog. At corner, replace * to * with (dc3tog in tr3tog, sk ch-2, ch 4) 6 times, dc3tog in tr3tog.

Rnd 4: Ch 1. [Over ch-4 (sc, hdc, 3 dcs, hdc, sc)]; repeat from [to] around, ending with sl st in first ch. At corner, work same pattern as along side.
